<u>Universal Breakfast</u> will begin on the students' first day of school.

This program provides breakfast for every student, every school day of the year regardless of income. Feeding our kids and giving them FREE breakfast each and every day makes sense for their well-being and prepares them for each day's learning!

Dear Franklin Local School District Parents and Community Members:

I looked through all of the photos that I took throughout the 2015-2016 school year as I prepared to write this letter. Franklin Local Schools have so many good things happening that it was hard to choose what to highlight. Here are a few; however, if you want to find out more, check out our Twitter feed at the bottom of our district

website (franklinlocalschools.org).

The school administrators make presentations to our School Board about what is happening in their schools. You can find the Board of Education's meeting dates in this calendar to attend to hear the presentations.

Mr. Harper, (PJH Assistant Principal) and Mr. Preston (PJH Principal) presented to the Franklin Local Board of Education during their November meeting.

Many of our students and staff members received recognitions during the 2015-2016 school year.

District Treasurer, Scott Paul, was invited to serve on the College Credit Plus subcommittee of the OASBO Finance/Legislative Committee. This committee consists of personnel from Ohio Association of Business Officers (OASBO), Buckeye Association of School Administrators (BASA), Ohio School Boards Association (OSBA), the Ohio Department of Education (ODE), and Ohio school treasurers. He was also recognized by the Coalition of Rural and Appalachian Schools (CORAS) as an Outstanding Treasurer.

Outstanding Musicians: Emily Miller – Outstanding Choir Member Brandon Barnes – Outstanding Band Member

Outstanding Educators: Sally Leitenberger (DFE 2nd Grade) Sherri McElfresh (PJH 6th Grade Social Studies)

Kaylee Mohler was Philo High School's Phoenix Scholarship Award Winner.

In the MVESC Student/Teacher Recognition Ceremony, (left) Allura Stevens was honored as a Franklin B. Walter Finalist and (right) John Dudas as Outstanding Student. DFE teacher, Dirk Lincicome, was selected by John as his most inspirational teacher.

District secretaries, Kathy McCutcheon and Michelle Moyer, participated in the Leadership Muskingum program.

After each grading period, Academic Honor roll letters were delivered to students at each school. RES' letter delivery occurred on National High Five Day.

Being College and Career Ready is a component of our Straight A Grant with the Ohio Appalachian Collaborative and Battelle for Kids. We are increasing the number of teachers who can teach courses at our high school for college credit as we are implementing Philo High School College in the 2016-2017 school year. We are also focused on career development in all grades.

Mid-East Career and Technology Center's Mobile Career Lab visited FLCS.

PHS students make a career plan for college, military, or work force.

Franklin Local is creating opportunities for students to use technology in the classroom. Our plan provides all students in grades 6-12 with an iPad while other students have access during each school day. During the past school year, most State assessments were taken using the iPad. Teachers' technology equipment will be updated for the 2016-2017 school year.

PJH STEM teacher, Thelma Leese-Graham, and students, Carter and Logan Wickham, shared some of their 3-D printer projects during a presentation to a civic organization.

Technology Director, Nick Hansel, prepared teachers for online testing at each school. Pictured is the DFE faculty session.

Building relationships is a focus for Franklin Local School District. Many community members visit our schools during the school year. They are

invited to speak to classes, make presentations, or participate in activities; some volunteer their time and service to our students. Here are a few examples of relationship building.

Mr. and Mrs. Woodward visit DFE to make popcorn for the students.

FLCS students and staff created a community garden by getting several donations from area individuals and organizations.

RES held a Literacy Night for students to enjoy literacy activities with their parents. Mr. Williamson works on a project with his daughter, Katy.

DFE Principal, Mr. Rice, talks with a student during physical education class. Starting in 2016-2017, Mr. Rice will be our Director of Special Services working with special education and gifted students and staff members.

Ms. McDermott, Superintendent, reads to the FLCS preschool students

These staff members will be missed.

PJH Social Studies Teacher, Matt Brown, passed away during the school year. He left a legacy of hope and modeled courage and determination for both students and staff members.

Retirees leaving Franklin Local were honored at a Recognition Luncheon at the end of the school year. These four ladies gave a combined total of 135 years of service to the Franklin Local School District! Happy Retirement! Left to right: Martha McElfresh (DFE Library Aide), Sherri McElfresh (PJHS 6th Grade Social Studies Teacher), Janice Dupler (DFE Aide), and LuAnn Gatewood (Secretary to the

I am honored to continue serving the Franklin Local School District as Superintendent. Please contact me if you have any questions or concerns. Sincerely,

Sharma. McDermitt

Sharon A. McDermott, Superintendent of Schools

Members of the 2015-2016 Franklin Local School Board

Back Row: Scott Paul, Treasurer; John Coler, Member; Marc Carpenter, President; Bob Walden, Assistant Superintendent; **Front Row:** Susan Lent, Vice President; Jim Swingle, Member; Sharon McDermott, Superintendent; Larry McCutcheon, Member.

The Board

The Franklin Local School District Board of Education encourages school staff and all citizens of the school district to attend its meetings. Informed and involved citizens are one of the keys to providing a quality education for all students. The board members appreciate your interest and support as they strive to provide our students with the best education possible.

Board Formation

All five members of the board reside in the Franklin Local School District. Members are nominated by petition and elected on a non-partisan ballot at a regular November election in an odd-number year. Board members serve four-year terms. Consecutive terms of office are allowed. The board elects a president and vice president each year at the organizational meeting in January.

Functions of the Board

June '17

4 5 6 7 8 9 10 11 12 13 14 15 16 17

The Board's major responsibilities are to set policy and oversee the implementation of the policy by the superintendent and staff.

Other responsibilities include the following: adopt plans and set goals for the district; select and employ a superintendent and treasurer, and evaluate them; monitor the overall fiscal operation of the school district; consider the recommendations of the superintendent regarding policy, personnel, curriculum, and other matters; evaluate the schools' effectiveness; and inform the public about the progress and needs of the schools. Board members represent the interests of all citizens regarding the education of their students.

Board Meetings

Single members of a board of education have no authority to act except when together in session at a regular, special, or emergency meeting of the board. The board conducts all of its business in open public meetings. Announcements of all meetings are made in advance and area newspaper representatives are notified. The Board meetings are on the third Thursday of each month except in January, when the meeting by law, must be held by January 15. Board meetings are held in the lower level of the Administration Building in Duncan Falls at 6:30 p.m. The meeting dates and times are listed in the attached Calendar of Events.

Citizen Participation

Your views and questions are important to the board members. Anyone wishing to speak is asked to sign the visitor's register, which is available beside the entry door to the meeting room. The register, which requests name, home address, organization represented (if applicable), and subject to be discussed, must be completed before a visitor will be recognized. Visitors will be recognized by the board president and allowed to make their statements. Comments are limited only to matters of general concerns. If a question can be answered immediately, it will be. If time is needed to study the issue, the concern will be addressed at a later date.

Executive Session

Ohio "Sunshine Law" permits the board an executive session to discuss certain personnel matters, the sale or purchase of property, pending imminent court action, negotiations with employee associations, security arrangements, and any other matters required by law or state statute to be confidential. Ohio law requires all voting to be done in public session. The board cannot take action in executive session.
