

10.15 VENDING MACHINES

The Board of Education recognizes that vending machines can produce revenues which are useful to augment programs and services to students and staff. It will, therefore, authorize their use in District facilities providing that the following conditions are satisfied.

- A. The installation, servicing, stocking, and maintenance of each machine is contracted for with a reputable supplier of vending machines and their products.
- B. The District's share of the revenues is managed by the Treasurer in accordance with relevant Board policies and administrative guidelines.
- C. No food or beverages are to be sold or distributed which will compete with the District's food-service program.
- D. No vending machine shall be located in any classroom, unless the room is also used to serve student meals. Vending machines are exempt from this provision if they serve only milk, reimbursable meals, or food and beverage items that are part of a reimbursable meal and are available for sale as individually priced items in serving portions of the same size as in a reimbursable meal.
