New Faces at Philo High School

What makes Philo High School a great place to be is the people in it. We have great students and great faculty members. Some years we have to say goodbye to one or more faculty members. When that happens, new people join our family. This year we have some new faculty members that are great additions to our school.

When you walk into the office you will see two new faces. Mrs. Katie Fuller is serving as our new secretary. She is a friendly face to welcome you to PHS and will prove to be very helpful to you. The other new face you will see in the office is our new School Resource Officer, Deputy Chris Mehl. He is a Muskingum County Deputy Sheriff and is dedicated to protecting our staff and students.

Ms. Macy Meadows is our new 9th and 10th grade school counselor. She has been busy helping students with class schedules and she also teaches our 9-week Career Exploration course two periods a day to our 9th graders.

Mr. Cody Lake is teaching United States History to our 10th graders. Although he joined our team very late in the summer, he has worked hard and was ready to go for the first day of school.

Mr. Josh Harris is our new Vocational Agriculture teacher. He spends his mornings at Philo Junior High and is at PHS from 4th period on.

If you go through the lunch line you will notice a new member of our kitchen staff. Mrs. Brooke Wogan has joined our team and will be another friendly face in our kitchen.

We also have a new school-based therapist, Mrs. Ashley Neville. She will be available to help students who may be struggling with mental health issues.

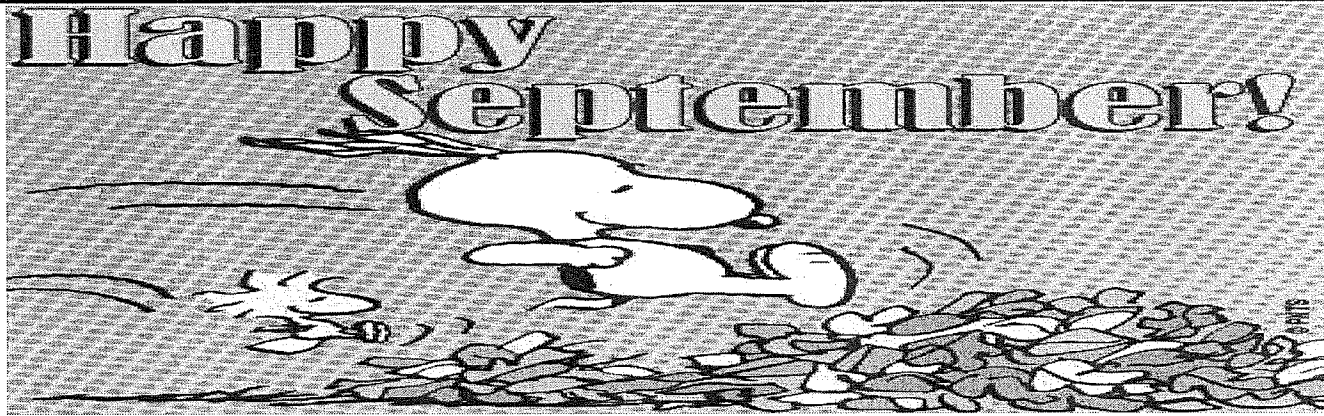

I would like to welcome, Mrs. Fuller, Deputy Mehl, Ms. Meadows, Mr. Harris, Mrs. Wogan and Ms. Neville to the Philo High School family.

GO ELECTRICS!
