### Instructional News

Congratulations to the students and staff of Roseville Elementary for being awarded the 2018 Momentum Award. The Ohio Department of Education award is presented to schools who earn A's on all value added measures on the Ohio School Report Card. This is the third consecutive year that RES has won the award for exceeding student growth.

### Events

RES held our second annual Kindness Day on December 19th. Students and staff spent the day learning about kindness and respecting others. Students participated in a variety of activities. Thanks to the Roseville Elementary PTC for providing each student with a Kindness Day shirt.

### School Safety and Procedures

Just a reminder that it is school policy for all visitors to sign in at the school office upon entering the building.

We have recently installed a new entry system for our latch key families that will increase safety and provide a secure entrance. Please see our Latch Key supervisor, Mrs. Hinkle for directions.

Please consider becoming a member of our Parent Teacher Child organization. The PTC meets monthly and their goal is to help raise funds for our students to help pay for academic and behavioral rewards. If you would like to join please call the school at 740-697-7216.
